Description

For the first time, a one-owner custom-built residence at 5552 Paramont Road in Wise, VA offers a rare blend of privacy, craftsmanship, and convenience just minutes from UVA-Wise and downtown Wise. This distinctive 4 bedroom, 2.5 bath home is set on a private, wooded 1.25 acre lot that creates a quiet retreat while keeping schools, services, and town amenities close by.

Built in 1975 by Baugh Construction, the home reflects enduring quality and a setting designed for both privacy and

practical comfort. The roof and HVAC system were both replaces approximately 7 years ago, and the exterior of the house is finished in Western Cedar, adding natural character and lasting curb appeal. A gated driveway entrance adds a sense of separation and security, complemented by an ADT security system for added peace of mind. The driveway leads to outdoor parking for two vehicles and a large two-car garage with electric garage door openers and a finished second level that creates flexible potential for guest quarters, rental income, a studio, or a dedicated work-from-home space. A backup propane generator further enhances everyday confidence and convenience.

Inside, oak hardwood floors and two remote-controlled gas fireplaces bring warmth, character, and comfort living throughout the home. The spacious 2nd floor master suite offers a private retreat with its own gas fireplace, large closet, full bath with walk-in shower, and access to a second floor porch overlooking, the peaceful, wooded landscape.

Just beside the den, the kitchen offers an inviting and functional layout ideal for everyday living. Upon entering, there is a very nice dining space that creates a welcoming place for meals and gatherings. The kitchen also features abundant coutertop space and shelving, providing excellent room for preparation, storage, and display. At the opposite end of the kitchen, a conveniently located bathroom and a spacious laundry room/pantry add practical flexibility and make the space especially useful.

The main floor also includes a formal dining room and a living room space that could easily be used as a private office or study. Two french doors provide privacy for this room, making it a versatile area for work, study, or quiet relaxation.

With its first time availability, custom construction, gated privacy, flexible garage-level space, backup power, and prime proximity to UVA-Wise and downtown Wise, this property stands out as a rare offering in the Wise market. Schedule a private showing to experience the setting, craftsmanship, and possibilities firsthand. Information contained in this listing was gathered from public sources.
