Description

Some homes simply have a way of making you feel welcome the moment you walk through the door--and this is one of them. Offering over 1,800 square feet of accommodating living space, this traditional 3-bedroom, 2.5-bath condo delivers

the comfort, warmth, and room you've been searching for, with many upscale touches *such as lighted closets* that make living here a breeze. The spacious floor plan provides generous living and entertaining areas, while an unexpected abundance of storage ensures everything has its place. This home is bathed in natural light and the expansive view through the patio doors is thoughtfully positioned to take in a peaceful panorama from many angles within the home. From this height everything feels calm and unhurried. Whether you're settling in for a quiet evening by the fire or entertaining with friends, this home truly lives large. Plus, there are many unseen perks that make life even better... Parking is effortless with spaces right outside your front door, abundant guest parking, and a convenient drive-under garage that keeps your vehicle and YOU protected from the elements. The home is only a short walk to Ridgefields Park, perfect for kids of all ages. And the HOA not only takes care of your lawn, it even takes your trash to the curb on collection day, giving you one less thing on your "to do" list.
Perhaps the greatest feature of all is the welcoming community you'll become part of. This is more than just a condo--it's a place where neighbors become friends, peaceful surroundings invite you to slow down, and you'll truly feel at home.
