Description

Enjoy peaceful country living on approximately 16.51 acres while remaining conveniently close to shopping, restaurants, and the golf course. This charming ranch-style farmhouse offers 3 bedrooms, 2 full baths, and approximately 1,433 square feet of finished living space above grade.

The basement provides generous storage space and includes an additional washer and dryer hookup, with another hookup conveniently located on the main level. Outside, the property features an attached carport, a detached garage and workshop with space for up to four vehicles, a barn with an attached chicken coop, a greenhouse for gardening enthusiasts, and a natural spring.
Beautiful views, open acreage, and the potential for an additional homesite make this property especially appealing. The sellers are downsizing and have priced the home and acreage to sell.
