Description

Welcome to 204 Timberland Circle, a spacious brick home offering an exceptional combination of comfortable living, abundant storage, garage space, and inviting outdoor areas. Situated on a beautifully maintained .49-acre corner lot, this

well constructed home features 2,041 finished square feet plus an impressive 1,456-square-foot unfinished basement. Inside, the main living area offers a welcoming fireplace and an easy flow into the kitchen and dining area. The kitchen features granite countertops, abundant cabinetry, stainless appliances, and a convenient breakfast bar, creating an open and functional space for everyday living and entertaining. Four bedrooms and three full baths provide plenty of flexibility for family, guests, a home office, or hobby space. One of this home's standout features is the amount of additional space it offers. The expansive unfinished basement provides unlimited possibilities, along with exciting potential for future finished space. The lower drive-under garage has its own substantial driveway/parking area, which makes it genuinely useful rather than just technically being another garage bay. Perfect for someone with a hobby car, boat, motorcycle, workshop equipment, or simply needing more storage. Outdoor living is equally impressive with a charming covered front porch and a large covered rear deck overlooking the yard--the perfect place to relax, entertain, or enjoy the surrounding scenery. Mature trees, established landscaping, generous driveway and parking areas, and the attractive corner setting complete the package. 204 Timberland Circle offers the space and versatility that can be difficult to find. Conveniently and centrally located to all of the Tri-Cities with easy access to shopping, dining, schools, and major roadways. Call today and schedule your private tour and start enjoying the best of East Tennessee living.
