Description

Beautifully Updated Home with an Exceptional Waterfront Setting

Enjoy peaceful water views and one of the most inviting settings in Sawyers Pond! This beautifully updated home overlooks the community lake and fountain, with walking trails just beyond the backyard and a picturesque shared pavilion nearby overlooking the spring-fed entrance waterfall.

Inside, thoughtful renovations have given the home a fresh, timeless feel while adding the kind of custom details that make a house special. The completely remodeled kitchen is a standout, featuring all-new cabinetry, countertops that continue seamlessly up the backsplash, and a beautiful porcelain apron-front farmhouse sink. A custom window seat with tailored cushions creates a charming spot to sit and enjoy the view, while thoughtfully integrated appliances--including a built-in microwave--keep the countertops clean and uncluttered. Custom cabinetry and built-ins provide both abundant storage and a polished, furniture-like feel. Just beyond the kitchen, the dining room is framed by gorgeous new backlit built-ins surrounding the window, creating a beautiful focal point day or night. The spacious living room centers around a natural stone fireplace with gas logs and opens toward the home's wonderful water views. The main level features three bedrooms, including a beautiful primary suite with a dramatic tray ceiling. The recently remodeled primary bath feels more like a private retreat, combining classic materials with a clean, timeless design. A freestanding lava stone soaking tub was intentionally selected at just the right scale--deep and luxurious without requiring an eternity to fill. The separate glass-enclosed shower is finished in gorgeous quartz and glass tile, complemented by timeless polished chrome fixtures. Custom luxury closet organizers complete the suite and make the space as functional as it is beautiful.

Upstairs provides an impressive amount of additional living space with a loft or home office, a private guest suite with full bath, oversized closets and abundant storage, plus a large media/bonus room that could easily serve as a fifth bedroom, recreation room, playroom, or additional living area.

Outside may be where this home truly shines. The cozy screened porch overlooks a level, fenced backyard and the large community lake and fountain--an ideal place for morning coffee, evening dinners, or simply relaxing to the sound of the water. Step beyond the backyard and enjoy neighborhood walking trails and the adjacent shared pavilion overlooking the beautiful spring-fed entrance waterfall.

Lots of recent improvements and the house is MOVE IN READY and Immaculate. NEW HVAC, provides peace of mind to go along with the extensive interior renovations. Additional features include a two-car garage with built in cabinets, tool boxes and coated concrete floor, tankless gas water heater, irrigation system, mature landscaping, and an exceptional amount of storage.

Beautifully updated, wonderfully functional, and positioned in a setting that is difficult to duplicate, 2050 Sawyers Pond offers the rare combination of a thoughtfully renovated home and a setting you'll appreciate every single day.
