Description

Back on market at no fault of Seller. Buyer financing fell through.

This charming 3-bedroom bungalow has been beautifully refreshed and is ready for its next owner. The seller has put real

care into this renovation, starting with an all-new kitchen and updated bathrooms, including a brand new half bath that wasn't there before. New flooring runs throughout much of the home, and fresh paint gives every room a clean, welcoming feel.

All three bedrooms are generously sized, giving you plenty of room to spread out, whether you need space for a home office, guest room, or growing family. The flat lot makes for easy outdoor living, yard work, or just relaxing outside without worrying about a slope.

Location is everything here. You're just minutes from ETSU and the VA, plus all the shopping, dining, and medical care Johnson City has to offer. Whether you're commuting to campus, the hospital, or just want to be close to everything, this spot puts you right in the middle of it all.

Don't miss your chance to own a freshly renovated home in one of Johnson City's most convenient locations. Schedule your showing today!
