Description

Must be a licensed pilot to live in neighborhood. Custom built home with 2700 finished square feet. 3 bedrooms downstairs with another guest room and full bath upstairs.(Septic is permitted for 3 bedroom) Walk into a cathedral-like living room with stunning wood beams and tongue-and-groove ceilings crafted from wood reclaimed from a local 100-year-old barn. Home features included geothermal heating & air units, newer roof and newer upstairs HVAC. Large kitchen with granite countertops, newer deck with retractable awning and grill hooked to home propane tank. Unfinished basement could nearly double living space, all on over 4 acres of level land. The 40' x 50' hangar features a half bath and 37' x 10' hangar door, allowing you to fly in, taxi home, and pull directly into your own hangar.
Gated community includes underground utilities, 3,000' x 40' asphalt runway and 1,800' grass strip. Info taken from third party source and heirs, buyer, buyer's agent to verify all info.
