Description

First Time on the Market! Discover the privacy and charm of this wood-sided, chalet-style home nestled within the Elizabethton city limits. Situated on a spacious .6-acre corner lot at the end of a short, quiet street, this property offers the

best of both worlds--convenient access to city amenities with a peaceful, wooded, park-like setting. Step onto the expansive back deck and you'll feel as though you're sitting in a treehouse surrounded by a mature hardwood forest. It's the perfect setting for morning coffee, entertaining, or simply enjoying the tranquility of nature. This home is also very energy efficient, with gas and electric bills available for review--an especially valuable feature in today's market. Inside, you'll find a spacious and highly livable floor plan with plenty of square footage and flexible rooms to accommodate a variety of needs. The upper level features the primary bedroom, a newly remodeled primary bathroom, and a library/office area. The walk-out basement includes two additional bedrooms, a full bathroom, a wet bar, and another versatile bonus room. On the main level, you'll find the living room, dining area, kitchen, half bathroom, and an additional multi-purpose room. The attached one-car garage is currently configured as a workshop, providing an excellent space for projects, hobbies, storage, or future garage use. With its spacious lot, peaceful wooded setting, flexible floor plan, energy efficiency, and convenient city location, this home has so much to offer.
