Description

Acreage, home, privacy & investment potential! This Tazewell County property offers an excellent opportunity to own a home with a substantial amount of acreage, providing both immediate use and long-term investment potential. The property features a home offering a comfortable base while you take advantage of the surrounding land. The acreage is largely uphill, creating a private, natural setting with potential for recreational use, timber, hunting, or simply enjoying the peace and privacy of the property.

The combination of the existing home and acreage makes this property an appealing option for buyers looking for more than just a house. Investors may appreciate the opportunity to acquire real estate with both an existing dwelling and valuable land, while owner-occupants can enjoy the privacy and space that larger acreage provides. Located in the beautiful mountains of Southwest Virginia, this property offers a unique opportunity to own a home and acreage with plenty of room for your vision.
