Description

Welcome to Catawba Street! Located in the heart of Kingsport, this spacious home offers the convenience of nearby shopping, dining, entertainment, parks, and more all just minutes away. With 2,550 square feet of finished living space on

the main and upper levels with hardwood floors throughout, plus an impressive 1,485 square feet of unfinished basement space, this home offers plenty of room to spread out along with tremendous potential for future expansion. The home underwent an extensive renovation approximately three years ago by the previous owners. Improvements included a new roof and gutters, exterior painting and stucco repairs, a new deck and sliding glass door, chimney repairs, fresh interior paint, new insulation, updated electrical, new lighting fixtures throughout, gas logs, and servicing and maintenance of the HVAC system. The staircase was completely remodeled in oak with a custom railing, while the kitchen received updated appliances, a custom island with a butcher block top, and an expanded layout created by removing a wall. New plumbing was also installed in the upstairs bathroom. The main level features two bedrooms and a full bathroom, along with a spacious living room, formal dining room with built-ins, and a large eat-in kitchen. Upstairs, you'll find two additional bedrooms, a full bathroom, and a versatile bonus room that could potentially serve as a fifth bedroom, office, playroom, or additional living space. Please note that this room does not have a closet. The unfinished basement provides 1,485 square feet of open space ready for storage, a workshop, recreation area, or future finishing. Plumbing for a third bathroom is already in place, and the laundry area is also located on this level. The current owners have completed extensive basement and water-management improvements, including the installation of a full sump pump system with a three-year transferable warranty, an underground foundation waterproofing system, and a triple-backup sump pump system. The exterior drain has also been replaced. Outside, the backyard offers additional possibilities and would be especially well suited for a beautiful tiered garden. With its generous square footage, flexible floor plan, extensive improvements, and convenient Kingsport location, this Catawba Street home offers plenty of space and potential for its next owner.
