Description

Welcome to 704 Pennsylvania Avenue, where thoughtful updates, added outdoor space, a convenient Bristol location, and private off-street parking for up to five vehicles with access from the rear alley come together in a home with plenty to

offer.

Step inside to hardwood floors and distinctive arched openings that add warmth and character as you move through the home. The living room features a gas fireplace, creating a natural focal point, while Andersen windows and doors are among the many improvements found throughout the property.

An addition gave the primary bedroom its own private en suite bathroom and additional closet space, adding a feature not always found in homes of this era. The guest bathroom has also been updated. An unfinished basement provides additional space for storage and everyday needs.

The appeal continues outdoors, where the adjoining lot has been combined with the original property to create a double lot totaling approximately 0.31 acres. The additional space provides more room to enjoy the property along with room to add a detached garage. Extensive landscaping and hardscaping, including 87 arborvitae trees, enhance the grounds.

Modern conveniences include a state-of-the-art security system and hardwired exterior lighting that automatically comes on at dusk and turns off at dawn. Significant improvements also extend beyond what you can immediately see, including a newer HVAC system, French drain, water-line replacement, septic-line improvements, soffit work, and wiring for a backup generator.

Located just minutes from Downtown Bristol, Bristol Casino, King University, shopping, dining, and entertainment, this home offers convenient access to many of Bristol's most popular destinations.

With its hardwood floors, arched openings, gas fireplace, primary ensuite, substantial updates, double lot, generous off-street parking, and modern security features, 704 Pennsylvania Avenue brings together character, improvements, and added space in one property.
