Description

If this home doesn't make you want to start a Pinterest board, I don't know what will! Every room feels like it came straight out of Better Homes & Gardens--full of charm, character, and those little details that make a house feel like home.

Even better, it offers the ease of one-level living with 3 bedrooms and 2 bathrooms, all situated on 1.22 acres in a highly desirable Greene County location. You get the best of both worlds here--just enough neighbors nearby without anyone right on top of you, plus a private backyard, plenty of breathing room, and beautiful mountain views.

Cute as can be, wonderfully private, and in a location you'll love--this is one of those homes that just feels special the minute you walk through the door.
