Description

SPACE, POTENTIAL & A GREAT LOCATION! This spacious home offers an excellent opportunity for buyers looking to add value and make a home their own. The entire lower level is currently unfinished, providing tremendous potential for

additional finished living space and future equity.

Situated on a nearly half-acre cul-de-sac lot, the property features a partially wooded, private backyard along with a covered front porch, private back patio, and side deck--plenty of space to relax and enjoy the outdoors.

Inside, you'll find generously sized rooms and abundant storage throughout. The laundry is currently located on the lower level but could easily be relocated upstairs, where it was previously located. A roof approximately three years old adds to the home's appeal.

Conveniently located just minutes from downtown Kingsport, this property combines space, privacy, convenience, and outstanding potential.
