Description

This charming, single-level home offers over 2,600 square feet of comfortable living with an open floor plan. The spacious kitchen features ample white cabinetry and a large island, while the living area sits perfectly between a generous master suite with a private bath on one side and three additional bedrooms on the other, giving guests plenty of privacy. The dining room and den flow beautifully from the living area, creating a warm, inviting space. An oversized covered front porch with mountain views is perfect for relaxing or entertaining, paired with a cozy covered back porch. Additional highlights include a four-car carport, a large workshop, and a storage building with room for one car. And to top it all off, there's a gorgeous, large pool with a privacy fence--perfect for endless summer fun!
