Description

**Attention The seller is now offering to have the hardwood floors refinished in the main level area with an acceptable offer. The buyer will have the opportunity to choose their own stain color for the hardwood flooring. 80 Florence Street has it all! Offering approximately 2,974square feet of finished living space, this exceptionally well-maintained Greeneville/Tusculum area home delivers the space, flexibility, and features today's buyers are looking for.

Pride of ownership shows throughout, with several recent improvements already taken care of. Enjoy low-maintenance landscaping accented by attractive stenciled concrete curbing, a water heater replaced in Spring 2026, one HVAC unit replaced in 2021, and the second HVAC unit replaced in 2023.

One of the standout features is the FINISHED BASEMENT, offering a dedicated home office, a separate man cave/recreation room, and a FULL BATHROOM. Whether you need a private workspace, game room, guest area, home gym, or the ultimate spot for football Saturdays, the lower level provides plenty of possibilities with plenty of closest space.

Another major bonus is the PRIMARY SUITE ON THE MAIN LEVEL, providing the convenience of main-level living while still offering plenty of additional space throughout the home.

Need garage space? You've got it! In addition to the attached TWO-CAR GARAGE on the main level, the property features a SEPARATE ONE-CAR GARAGE--perfect for an additional vehicle, motorcycle, lawn equipment, workshop, hobbies, or extra storage.

And the location is hard to beat for anyone who enjoys the outdoors! The approximately 4-mile Tusculum walking and biking trail is within just 50 YARDS of the home. Step outside and be on the trail in minutes for a morning walk, evening run, or bike ride.

Situated on approximately 0.35 acres, 80 Florence Street combines nearly 2,974 square feet of finished living space, a main-level primary suite, finished basement with full bath, dedicated office, man cave/recreation room, THREE total garage spaces, recent major system updates, low-maintenance landscaping, and outstanding access to outdoor recreation--all in a convenient Greeneville/Tusculum location.
