Built in 2026, this 1,475-square-foot manufactured home on a permanent foundation offers two bedrooms, two full

bathrooms, and a separate office for working from home, hobbies, or a quiet retreat.

The open living, kitchen, and dining areas create a comfortable space for everyday living and entertaining. The kitchen features a center island, abundant cabinetry, and coordinating black appliances, while wood-look flooring and neutral finishes give the interior a warm, cohesive feel.

Enjoy the surrounding countryside from the front and rear decks, with open hayfield scenery adding to the setting. Upgraded light fixtures, a concrete front walkway, stained decks, and professional hydroseeding provide thoughtful finishing touches.
