Description

REDUCED!!! Located in the highly sought after development in the area of Seminary and Deep Springs, this beautifully maintained, custom-built in 2009, modern brick and vinyl home with 3 bedrooms, 2 baths, 1710 sq.ft. over a dry, mostly above ground, heated and cooled, full walkout basement with 10' ceilings which could easily be converted to a family room and additional bedrooms with the addition of windows, There is also a 2-car attached garage

with an additional workshop. All this on 1.89 level acres with 360 views of the surrounding valley and mountains. This property is conveniently located just far enough off Alt US 58 to prevent seeing or hearing traffic. The large kitchen/dining area has beautiful pecan cabinets and stainless appliances. Just off to the side, is a wood cabin feel to the enormous living room with vaulted, wood covered ceilings and walls. Across the hallway are two bedrooms and a full bath. The other end of the home has the master suite with large bathroom and walk-in closet. Across the hall are the laundry room, a utility room, and access to the garage and basement. The main living areas are solid hardwood floors with carpet in the bedrooms and tile in the bathrooms and laundry areas. There is a full covered front porch and a deck on the back side of the kitchen for cookouts. There are also 2 storage buildings in back and a large garden area. The home is finished out with neutral colors, double pane windows, a new heat pump, architectural shingled roof, public water, and private septic. This home truly is move-in ready without any worries of constant repairs.
