Description

Enjoy peaceful country living in this spacious 4-bedroom, 2-bathroom brick home offering plenty of room for family, guests, and entertaining. The home features three living areas, providing flexible space for a family room, formal living

room, home office, or recreation area.
The property also includes two kitchens, making it an excellent option for extended family, multi-generational living, or anyone looking for additional cooking and entertaining space. Step outside onto the covered back porch and take in the beautiful countryside views--a perfect spot to relax and enjoy the surrounding scenery.
Additional features include a 2-car garage, unfinished basement with plenty of potential for storage or future living space, a newer roof, and a newer heat pump.
For those looking for even more space and privacy, an additional 2.28 acres are available for purchase.
With its spacious layout, versatile living areas, country setting, and room to grow, this property offers a wonderful opportunity to make a home your own.
