The heart of the home is the custom kitchen featuring stainless steel appliances, a large island, and an eat-in area, giving you plenty of space for everyday meals and entertaining. A formal dining room provides additional space for gatherings, while the impressive great room is anchored by a stone fireplace, creating a warm and inviting focal point for the home. The main-level primary suite offers a spacious retreat complete with a walk-in closet and private bath featuring a walk-in shower and beautiful clawfoot tub. The home offers 2.5 bathrooms throughout the main and upper levels, with a layout that provides plenty of room for everyday living, entertaining, and guests.
True to its Charleston style, the home features double front porches that add tons of character and provide the perfect place to take in the peaceful neighborhood setting. The basement takes this property to another level with an additional full bathroom and a fully functioning separate living space, bringing the home to 3.5 bathrooms total. This area has previously been used as an Airbnb and rented to traveling nurses and shorter-term tenants, making it an incredibly versatile option for a mother-in-law suite, guest quarters, private living space, or potential rental opportunity.
