Description

B-1 Commercial Opportunity with Parkway Frontage -- Sullivan Gardens Parkway, Kingsport!

Looking for an affordable spot to launch or relocate your business? This B-1 zoned property on well-traveled Sullivan Gardens Parkway delivers visibility, flexibility, and brand new construction at a price point that's hard to beat in today's commercial market.

The star of the property is a never-occupied 2026 manufactured home with 1,475 square feet of open, adaptable space. The floor plan's open-concept main area is ready to serve as an office, salon, studio, or client-facing storefront, while the

three separate rooms offer natural divisions for private offices, treatment rooms, or storage. Two full baths and a dedicated utility room round out the functionality, and because everything is brand new, you can put your budget toward building your business instead of building repairs.

A brick storage shed in the back adds space for inventory, equipment, or supplies, and the just-under-quarter-acre lot keeps maintenance simple. Quick access to Highway 93 puts you within easy reach of Kingsport, the Tri-Cities, and the daily traffic that drives new business through your door.

And here's the flexibility factor: B-1 zoning means this property works as a business, a residence, or both -- live where you work, lease it out, or hold it as an investment as the corridor continues to grow.

Priced to move and ready for your vision -- schedule your showing today! Buyer to verify permitted uses with Kingsport zoning and all other information.
