Description

THIS HOME IS NOT FOR RENT. This well-kept all brick ranch is located on a spacious, rolling lot with tons of trees in the backyard.

On the first floor you will find the living room, an eat-in kitchen and 3 bedrooms/2 bathrooms, including the primary suite that features a private sunroom.

In the walk-out basement there is a family room with a fireplace and an additional sunroom. Here you will also find the fourth bedroom and a full bathroom. There is also a large unfinished area in the basement that has a ton of potential.

With a carport upstairs and a garage on the basement level, there is plenty of parking and storage space. The heat pump is approx. 4 years old, the roof is approx. 2 years old, and the dishwasher is a year old.
