Description

Enjoy comfortable one-level living in the heart of Colonial Heights, where this inviting ranch sits above the road on a large corner lot. Inside, hardwood floors, generously sized bedrooms, and multiple fireplaces create a warm, comfortable atmosphere that feels easy to settle into. The one-level floor plan includes three bedrooms, two full baths, and a private primary suite.

The living spaces flow easily for everyday life, while the attached garage provides convenient parking, additional storage,

and laundry area. Several important improvements have recently been completed, including a brand-new roof, new water heater, new electrical panel, and new garbage disposal. The heat pump has also just been serviced.

Out back, the mostly fenced yard feels private and removed--a comfortable place to relax, garden, entertain, or create a space for pets and play with plenty of potential. Positioned on the hill and accessed by an inclined, shared driveway, the home enjoys added separation from the road and a tucked-away feel that is hard to find in such a central location.
