Description

Well hello there, pretty house! Someone has already done the hard work, so you can spend more time enjoying the good stuff. With 3 bedrooms, 2 baths, a fenced-in backyard, and a 2 car garage, this Kodak cutie has plenty of room for family,

pets, and everything else that follows you home. Your tour begins with a cozy covered front porch that practically begs you to sit down, relax, and stay awhile. Then you step inside to fresh paint, beautiful floors, and a spacious living room that's ready for everything from a lazy Sunday afternoon to "how did we end up with 12 people in here?" family gatherings. The kitchen got a serious glow-up! Completely remodeled with brand new appliances, beautiful countertops, and a dining area where you can actually fit the whole family and table. The bedrooms are looking pretty good too! A spacious primary suite with its own en suite bath, plus 2 roomy bedrooms and a guest bath. And yes, there's a great laundry room, because all those dirty clothes need somewhere to go after they've been ignored for 3 days. Pretty house, great location, and the Great Smoky Mountains practically in your backyard? Sounds like a pretty good deal. With shopping, dining, and attractions all nearby, this Kodak cutie makes everyday living easy and weekend fun easier.
