Space, character, and timeless comfort come together at 17256 Crabtree Court.

Set on 1.3 beautifully level acres in Bristol, Virginia, this spacious four-bedroom home offers 3,304 square feet of thoughtfully designed living space, generous outdoor areas, and the kind of details that make a house feel truly special.

From the moment you enter, the home's character is evident. Soaring vaulted ceilings, rich hardwood flooring, tile accents, and beautiful stained-glass light fixtures throughout add warmth and personality, while two fireplaces with propane gas logs create inviting spaces to gather and unwind. A particularly charming detail awaits in the front entry: the statement chandelier is motorized, lowering for effortless cleaning before returning neatly to its elevated position.

The main level is designed for comfortable everyday living, with a spacious primary suite offering the convenience and privacy of being located on the first floor. Additional bedrooms upstairs provide flexibility for family, guests, a home office, or hobbies, while the home's generous square footage allows everyone room to have a space of their own.

Beyond the beautiful interiors, this property has been thoughtfully maintained with important improvements already in place. The roof was replaced in 2018 with a 50-year shingle, both HVAC systems are less than five years old, and the crawl space has recently been encapsulated. Blown-in insulation has been added, and a floored attic provides substantial storage space without sacrificing valuable living areas.

Outside, the possibilities are equally appealing. The 1.3-acre parcel is notably flat and usable, with a fenced backyard, a large rear deck for entertaining or relaxing, and a welcoming covered front porch that creates an inviting first impression.

This is a home that offers more than square footage -- it offers character, comfort, usable land, and thoughtful details that are increasingly difficult to find. Come experience 17256 Crabtree Court and discover a place designed to be enjoyed for years to come.

Please note that the septic system is permitted for 3 bedrooms.
