## Description

Welcome home to this spacious 2019 modular home offering approximately 2,000 square feet, 4 bedrooms, 2 full bathrooms, and 1.4 acres in a peaceful setting.

Inside, the open-concept living area provides plenty of room to gather, with the living room flowing directly into the kitchen and dining area. The kitchen offers an abundance of cabinetry, a large center island with additional seating and storage, and appliances that were replaced in 2020. The adjoining dining space provides plenty of room for a full-size table while keeping everything open and connected.

The primary suite is generously sized and features its own private bathroom with a double vanity, separate shower, and plenty of storage. Three additional bedrooms and a second full bathroom provide flexibility for family, guests, a home office, or hobby space. A dedicated laundry room adds even more everyday convenience.

Outside is where this property really stands out. A large deck stretches across the front/side of the home, providing plenty of space for outdoor seating, grilling, entertaining, or simply enjoying the surrounding mountain views. The property also features an above-ground pool, storage building, and 1.4 acres, giving you room to enjoy the outdoors without an overwhelming amount of upkeep.

Additional updates include a new roof installed in 2024, adding another major improvement to this already newer home.

With four bedrooms, approximately 2,000 square feet, acreage, generous outdoor living space, and a layout designed for everyday living, this home offers plenty of space both inside and out.
