Description

Tucked away on a quiet cul-de-sac in Mount Carmel, 166 Nicole Drive is the kind of home that feels welcoming from the moment you arrive. With beautiful curb appeal, mature landscaping that comes alive with color in the spring and fall, and a

private fenced backyard, this home has been thoughtfully updated and beautifully maintained.

Step inside to an inviting main living area where high vaulted ceilings and beautiful hardwood floors create an open, airy feel. A striking floor-to-ceiling stone fireplace with gas logs anchors the room, while the adjoining accent wall adds character and warmth. Large windows bring in plenty of natural light, and the layout flows easily between the living room, dining room, and kitchen.

And the kitchen deserves some attention. Freshly updated with new countertops, tile backsplash, and a gorgeous suite of new appliances, it offers plenty of cabinetry and workspace along with a peninsula for additional prep space and casual seating. The beautiful white appliances with warm metallic accents add an unexpected designer touch, including a double-oven range and French-door refrigerator. Just off the kitchen, the spacious dining room provides plenty of room to gather around the table and enjoy meals with family and friends.

The primary suite is located on the main level and features a beautifully remodeled private bathroom. With 3 bedrooms and 3 full bathrooms, there's plenty of room to spread out, and the finished lower level adds even more versatility. With its own full bathroom, this space could easily serve as a second family room, recreation room, home office, guest area, or a combination of uses. A two-car drive-under garage provides additional parking and storage.

Outside, there is just as much to love. The covered front porch is an inviting spot for morning coffee, while the new back porch overlooks a privacy-fenced backyard surrounded by mature trees. There's room to relax, grill, entertain, garden, or play, and established landscaping brings fresh blooms and color throughout the spring and fall. And when evening settles in, the home and property take on an especially inviting feel.

Hardwood, luxury vinyl, and carpet are found throughout the home, complemented by fresh paint and numerous recent updates that give the interior a clean, refreshed feel. Additional improvements include an HVAC system approximately 3-4 years old, the remodeled primary bath, updated kitchen, new appliances, and new back porch.

From the vaulted ceilings and stone fireplace to the updated kitchen, finished lower level, outdoor living spaces, and quiet cul-de-sac setting, 166 Nicole Drive offers a wonderful combination of character, comfort, and thoughtful updates--with so much already done for its next owner.

Conveniently located in Mount Carmel with easy access to Kingsport and the surrounding Tri-Cities area, this is a home you'll want to experience in person.
