Description

Beautifully remodeled and truly move-in ready, this home offers the perfect blend of modern updates, comfortable living, and picturesque East Tennessee views. From the moment you arrive, the striking exterior makes an impression with

stone detailing, new board-and-batten vinyl siding, a new asphalt driveway, and a new garage door. Step inside and you'll immediately feel at home. Thoughtfully updated from top to bottom, the interior features new LVP flooring, fresh paint throughout, and a beautiful custom railing that adds character the moment you walk through the door. The open-concept main level is designed for both everyday living and entertaining. A large picture window fills the living room with natural light while framing views of the surrounding rolling hills, and a stone fireplace anchors the space. The living area flows seamlessly into the brand-new kitchen, complete with stunning cabinetry, granite countertops, stainless steel appliances, and a spacious center island. Also on the main level, the primary suite offers a generous walk-in closet and private en suite bathroom with a beautifully tiled shower. A second bedroom and additional full bathroom complete the main floor. Downstairs provides even more space with two additional bedrooms, a half bathroom, and an oversized laundry and mudroom featuring a utility sink and convenient drop zone with direct access to the garage. Outside, enjoy a large, level lot with plenty of room to relax, play, or entertain, along with a back deck perfect for taking in the peaceful surroundings. Major updates continue with a new HVAC system and new water heater, making this home as functional as it is beautiful. Completely refreshed and ready for its next owners, all that's left to do is move in and make it yours. Lot lines depicted in listing photos are approximate and for illustrative purposes only.
