Description

Mid-Century Ranch with Full Basement, 2-Car Garage & Room to Make It Yours
Classic 1969 ranch on a corner lot with a stone-accented exterior and mature evergreen landscaping. Inside, warm

hardwood floors run through a large, open living area anchored by a stone fireplace wall. The living room flows into the kitchen and dining space, which makes it easy to cook, gather, and entertain. The kitchen has a stainless range, plenty of solid wood cabinetry, a decorative tin-style backsplash, and a peninsula that connects it to the dining area. Two bedrooms include a primary with hardwoods, ceiling fan, and louvered closet, and a second bedroom with fresh luxury vinyl plank flooring and laundry hookups already in place. Use it as a bedroom with built-in laundry, or as a flex space. The full bath has a long vanity, tub/shower combo, and a retro mosaic tile floor. The full unfinished basement (about 1,066 sq ft, with a door to the back yard) is ready for a workshop, storage, or future finished space. The attached 2-car garage adds a workbench, built-in storage, and two openers. Out back, a long wood deck overlooks a big, grassy yard. Public water, split-system heating and cooling, and county taxes of only about \$514 a year. Keenbug Elementary is 0.2 miles away, and the lot sits in FEMA Zone X (minimal flood risk).
