Description

Enjoy exceptional lake views from both levels of this well-kept lake community home. A covered front porch opens to a double-height entry and a spacious living room with soaring ceilings, while new flooring sets the tone of move-in-ready luxury. Large banks of windows draw you into the generous family room, where a beautiful fireplace and sweeping Cherokee Lake views create a welcoming centerpiece. From this level, the family room, breakfast room, and kitchen are all positioned to capture the scenery. The kitchen features stone countertops, a striking tile backsplash, a large five-burner gas range, and appliances that convey with the sale. Just off the kitchen, the spacious dining room offers plenty of room for entertaining. The main level also includes a large bedroom, full bath, laundry area, guest powder room, and an oversized two-bay garage with convenient kitchen access. Upstairs, the impressive primary bedroom features another wall of windows, high ceilings, and a private balcony overlooking the lake. The primary bath's jetted tub also enjoys the view. Two additional upstairs bedrooms each include walk-in closets, and one offers adjoining finished flex space ideal for a sitting room, office, or playroom. The walk-out basement provides a third garage bay, ample storage or workshop space, and a finished game room. Call today for more information and a video tour showcasing all this home has to offer. Septic is a three-bedroom system.
