Description

Welcome home to this charming, cozy farmhouse that's perfect for a growing family or anyone looking to downsize without sacrificing comfort. The main living area is conveniently located on one level, with an unfinished basement offering plenty

of storage or future expansion potential.
The remodeled kitchen features abundant counter space and a spacious pantry, making meal preparation and entertaining a breeze. The three bedrooms are generously sized and offer ample closet space. The updated bathroom adds modern style, while the roof, replaced within the last five years, provides added peace of mind.
Step outside to enjoy the large backyard, complete with a brand-new 380-square-foot workshop--ideal for hobbies, woodworking, a home business, or extra storage. (well insulated with heat and air)
This move-in-ready home combines classic farmhouse charm with thoughtful updates and practical living spaces, making it a wonderful place to call home.
The home has mini-split units for heat and cooling
