Description

A rare opportunity to own a beautifully reimagined private estate situated on an impressive 13.94 acres in Elizabethton. Tucked away at the end of a long private drive, this exceptional property offers remarkable privacy, beautiful mountain views, expansive usable grounds, and the peaceful setting of a true country estate.

Designed to live primarily as a single story home, the residence has been extensively remodeled with a brand new roof, brand new windows, updated plumbing, and thoughtfully selected designer finishes throughout. The home features three spacious bedrooms, three beautifully appointed bathrooms, two separate living areas, luxury vinyl plank flooring, designer paint selections, updated lighting, beautiful woodwork, built in bookcases, and a wood burning fireplace that creates a warm and inviting focal point.

At the heart of the home is a stunning entertaining kitchen featuring solid surface countertops, designer tile backsplash, under cabinet lighting, stainless steel appliances, updated cabinetry, and generous workspace. Each of the three bathrooms has been beautifully transformed with custom tile showers, updated vanities, modern fixtures, and upscale finishes.

The additional space and flexibility of this property are truly exceptional. A massive 2,000+ square foot full height unfinished basement offers tremendous possibilities for storage, a workshop, recreation space, or future additional living area. A full walk up attic provides even more easily accessible storage.

Step outside and the scale of this property truly sets it apart. The rear porch opens to the gorgeous grounds, while an elevated portion of the property features a large paved area ideal for creating a private pickleball court, basketball court, tennis court, recreation area, or additional parking. A detached garage provides additional space for vehicles, equipment, storage, or a workshop.

Nearly 14 acres, exceptional privacy, mountain views, extensive parking, updated landscaping, multiple usable outdoor areas, and a beautifully remodeled residence come together to create a truly special estate. Properties offering this combination of acreage, privacy, improvements, and versatility rarely become available. This is a property that must be experienced in person to fully appreciate everything it has to offer.
