Description

Renovated Colonial Townhome in Gated Williamsburg | 2 Bed / 2.5 Bath | 1,856 Sq Ft

Classic brick outside, thoughtfully redesigned inside. This two-story townhome in the gated Williamsburg community pairs

traditional architecture with a modern renovation, and it has more space than most condos in Johnson City.

The kitchen is the centerpiece. It has sage-green slab cabinetry that runs to the ceiling, gray countertops, and a large peninsula under modern glass pendants. New stainless appliances include a gas range. The kitchen opens to a dining area with a green fluted panel accent wall and French doors to a brick patio overlooking a nice potential gardening area.

The main level also has a spacious living room and a separate front room. Both have crown molding and chair rail. The powder room has been updated with a walnut slatted vanity, matte black fixtures, and green hex tile.

Upstairs are two large bedrooms, each with its own full bath. The primary bath has been remodeled with a walk-in double shower with two rainfall heads, a walnut double vanity with a stone top, and matte black finishes.

Williamsburg amenities include a community pool, a covered pavilion with a gas grill, and a courtyard with a gazebo. The HOA handles exterior maintenance, and the unit comes with two assigned parking spaces. The location is minutes from ETSU, the VA, Johnson City Medical Center, and shopping and dining.
