Description

This is a dream home for anyone who loves to entertain. The open-concept kitchen and living room flow together naturally, and a bonus room at the front of the home offers extra seating or the perfect game room. The updated kitchen has abundant storage and counter space, stainless steel appliances, and a built-in window seat. A formal dining room just off the kitchen is ready for holiday dinners and dinner parties. You'll love cooking here, and natural

light fills the entire home. A convenient half bath and laundry room are also on the main level. As gorgeous as the interior is, your guests will be just as drawn to the private, fenced backyard. It features a covered patio, a heated in-ground pool, a new hot tub, and a fire pit for cooler evening bonfires. The setup makes poolside enjoyment possible year-round, and this will quickly become the house everyone wants to gather at. Upstairs, you'll find all four bedrooms, including the spacious primary suite with his-and-hers closets and an updated bathroom. The other three bedrooms share a full bath. Hosting is easy with a two-car attached garage and a two-car carport, so there's plenty of parking for guests. Set in an established neighborhood with no HOA, the home is close to all the new development in Boones Creek and less than a mile from Sonny's Marina at Boone Lake.
