Description

Under contract, contingent on the sale of the buyer's home. Sellers continue to accept offers under a 48-hour bump clause. Showings welcome.

Rare opportunity to own 12.69 private acres in one of East Tennessee's most sought-after settings -- a property like this doesn't come around often. This traditional farmhouse has been thoughtfully updated to fit modern 2026 living while keeping its character fully intact.

Step inside to an open-concept kitchen, dining, and living area designed for everyday life and easy entertaining, plus a spacious bonus/family room on the main level for extra flex space. The primary suite features a large, beautifully updated bathroom with multiple closets, a standalone soaking tub, and a nice walk-in shower.

Outside, the property just keeps giving: a detached 2-car garage, a large barn, and an additional storage building with real potential to be converted into extra living or entertaining space. Two ponds round out the grounds, adding even more charm and versatility to this one-of-a-kind acreage.

Homes with this much land, character, and updated living space are genuinely hard to find -- schedule your showing today.
