Description

WELCOME TO 998 BRISTOL CAVERNS ROAD! This is far more than a remodeled home, or a cosmetic upgrade. It has been completely reimaged and rebuilt.

Originally a 3-bedroom, 1-bath home, the interior was taken down to the studs and extensively reconstructed with a completely redesigned floor plan, including vaulted ceilings and the addition of a second full bathroom. Outside of the original foundation and exterior framing, nearly every major component of the home has been renewed.

Inside, you'll find all-new drywall, new electrical, new plumbing, a brand-new HVAC system with warranty, and a tankless water heater. The newly designed interior now offers 3 bedrooms and 2 full baths with a bright, open layout and a dramatic vaulted ceiling accented by wood trim accent!

The brand-new kitchen features granite countertops, new cabinetry, tile backsplash, and all-new stainless-steel appliances, creating a clean, modern space that flows naturally into the main living area.

Both bathrooms are completely new with ceramic tile flooring, new vanities, fixtures, and finishes. One of the most functional additions is the spacious laundry/mud room, complete with cabinetry, countertop space, storage, and convenient entry from the covered rear patio.

Outside, the new front porch creates an inviting first impression and offers a partially covered space perfect for relaxing outdoors. The home also features a metal roof, convenient off-street parking, and outbuilding.

With its completely redesigned floor plan, added second full bath, new walls and drywall, updated major systems, new kitchen, new bathrooms, and fresh finishes throughout, this home offers the feel of a newly built residence without being new construction.

If you're looking for a truly move-in-ready home where virtually everything inside has been rebuilt and reimagined, 998 Bristol Caverns Road is one you need to see. Schedule your private showing today!
