Description

If you're looking for a home with a little country feel while still enjoying the convenience of an established neighborhood, take a look at this well-maintained brick ranch in Larwood Acres! Offering 3 bedrooms, 2 full baths, a full basement, great outdoor spaces, and an impressive list of recent improvements, this home has been lovingly cared for and updated along the way.

Inside, the main level offers a comfortable, easy-flowing floor plan. The living room is filled with natural light and features a classic brick fireplace, crown molding, and chair rail. It opens nicely to the eat-in kitchen, which offers granite countertops, stainless steel appliances, soft-close cabinetry, plenty of workspace, and room for a large dining table. Downstairs, you'll find even more room to spread out with a spacious den/recreation area featuring a second brick fireplace. There's also a large area providing an abundance of storage, laundry space, and plenty of room for a workshop or hobbies.

The outdoor spaces are a real bonus! The large, screened carport doubles as wonderful covered outdoor living space, while the back deck offers another great spot to sit, relax, grill, or enjoy the surrounding mature trees. The fenced backyard provides plenty of usable lawn space and includes a newer storage shed. The current owners have continued to invest in the home with numerous improvements, including a NEW ROOF in 2026, newer heat pump and water heater, new attic insulation, newer exterior doors, basement windows, deck, dishwasher, refrigerator, water line from the house to the road, and more. A lifetime transferable warranty is also in place for the foundation. This beautiful brick ranch offers comfortable one-level living, additional basement space, great storage, inviting outdoor areas, and many of the big-ticket improvements already completed. Come take a look, you may just find a new place to call home! Owner is a licensed real estate agent.
