## Description

676 Cherry Marie Drive is a brand-new 3 bedroom, 2.5 bath home in Jonesborough offering approximately 1,800 square feet of comfortable, well-planned living space.

The main level has an open layout with plenty of room to spread out without wasting space. The living room, dining area, and kitchen flow together naturally, creating a bright and comfortable setting for everyday life as well as entertaining. The kitchen includes granite countertops, stainless steel appliances, quality cabinetry, a tile backsplash, and generous cabinet

and counter space.

Throughout the home, the finishes are practical, attractive, and selected with long-term use in mind. You'll find LVP and tile flooring, nickel fixtures and hardware, and clean, simple finishes that give the home a polished look without feeling overdone.

Upstairs, the primary suite offers excellent space, including a large walk-in closet, double vanities, and a spacious private bath. Two additional bedrooms are generously sized and work equally well for family, guests, hobbies, or a home office.

One of the strongest features of this home is simply the amount of usable space it offers. At approximately 1,800 square feet, the rooms feel comfortable and well proportioned, with good storage and a floor plan that is easy to live in.

This home was built by a local builder using local workers and tradesmen who live and work in Northeast Tennessee. The people building these homes are part of this community, and there is a level of care, accountability, and pride that comes with that. We believe quality construction starts with experienced people who take pride in their work and stand behind the finished product.

Conveniently located just minutes from Historic Downtown Jonesborough, 676 Cherry Marie Drive offers easy access to restaurants, shopping, local events, and all the small-town charm that makes this area such a wonderful place to live.

If you're looking for a new home with generous space, thoughtful design, and quality construction from a local builder, 676 Cherry Marie Drive is well worth seeing in person.
