Description

Location, space, and value; this home checks all the boxes! Situated in Collingwood, a great neighborhood with convenient access to Bristol and The Pinnacle, this inviting 3-bedroom, 2.5-bath home is competitively priced to sell.

Several major updates have already been completed, including all-new double-pane windows throughout the entire home in September, a new metal roof (2025), and new ductwork throughout the HVAC system (2026). Plus a brand new fence (2025). Inside, you'll find hardwood flooring throughout much of the home, beautifully renovated bathrooms, and a spacious living room anchored by a large brick fireplace with built-ins.

The home features a traditional layout with well-defined rooms that flow naturally from one space to the next, creating a comfortable sense of connection while still allowing each room to have its own purpose. The primary bedroom includes a private en-suite bath, with two additional bedrooms offering plenty of flexibility for family, guests, or a home office.

Need more room? The renovated basement provides an excellent bonus living space with endless possibilities. Create a playroom, media room, game room, home gym, or additional family room. The basement also features walkout access directly to the backyard.

Outside, you'll find even more to love. Relax on the covered front porch, entertain or unwind on the covered back deck, and enjoy the privacy and versatility of a spacious, fully fenced backyard that would be perfect for children, pets, gatherings, gardening, or simply enjoying the outdoors. A two-car garage provides convenient parking and additional storage.
