Description

Welcome to 113 Liberty Hollow Rd, a well-kept 2-bedroom, 2-bath manufactured home on its own level lot in Carter County's Unaka community. You arrive at a covered front porch with a metal roof and wood railings, a comfortable spot for morning coffee under the mature shade trees. Inside, the open living area has laminate flooring, crown molding, a ceiling

fan, and an oak front door with a leaded-glass oval insert. The living room flows into the dining area and a kitchen with oak cabinetry, glass-front upper cabinets, a peninsula with seating space, a stainless side-by-side refrigerator, a stainless electric range, and a dishwasher. A split floor plan gives each bedroom its own privacy. The primary suite has a walk-in closet and double doors that open to a spacious en suite bath with a large walk-in shower, tile flooring, and a single vanity. The second bedroom sits at the opposite end next to the second full bath and works well as a guest room, office, or hobby space. A separate laundry room with its own exterior door makes a handy side entry. Outside, the home has a metal roof and a covered storage structure, all on a pretty lot that offers pretty mountain views. Public water, public electric, and paved road frontage. Unaka Elementary is under a mile away, annual county taxes are low, and Elizabethton's shopping and dining are a short drive.
