Description

Some homes simply have more space. This one has a feeling.

Welcome to 123 Owen Lane in Tusculum, Greeneville, TN -- an exceptionally maintained executive home offering over 3,400 square feet of finished living space, beautiful finishes, incredible entertaining spaces, and the kind of flexibility that is becoming harder and harder to find.

From the moment you walk through the door, the scale and character of this home stand out. Beautiful hardwood floors, designer paint colors, high ceilings, cathedral and tray ceilings, and spacious windows create an open, bright and sophisticated atmosphere.

The kitchen is designed for both everyday living and entertaining, featuring stainless steel appliances, abundant cabinetry, and an open connection to the dining area. The washer and dryer are Samsung and convey with the home, adding even more convenience for the next owner.

And then there's the primary suite. 😍
High ceilings, a spacious bedroom, an oversized custom closet, double vanity, separate shower and jacuzzi tub create a private retreat you'll look forward to coming home to.

But the real surprise is downstairs...

The finished lower level adds an incredible amount of living space, including a huge bedroom with an ensuite bathroom, a beautiful family room filled with natural light, and a custom dry bar featuring cabinetry, countertop space and built-in shelving.

And that bedroom? The custom-built beds and generous storage underneath convey with the home. It's an incredible setup for kids, guests, extended family, a hobby space or anyone who needs additional flexibility.

Outside, this home was made for enjoying life. You've got two distinct outdoor entertainment areas -- including a covered screened-in porch and another outdoor space directly off the downstairs family room with the hot tub conveying with the property. The yard offers plenty of room for kids, pets and gatherings.

And we're not done with the extras. 👀

The appliances, Samsung washer and dryer, front-door Ring camera, backyard wired flood light, pool table, basketball hoop, hot tub and custom-built beds all convey.

Plus, the roof is approximately 3 years old, giving the next owner another important piece of peace of mind.
