Description

Welcome to a home that combines beautiful views, generous living space, thoughtful updates, and a peaceful neighborhood setting on approximately 1.5 acres. Beautifully landscaped with inviting curb appeal, this vinyl-sided home with brick foundation is tucked along a quiet street of attractive homes with cul-de-sacs at both ends - creating a

comfortable neighborhood atmosphere with minimal through traffic. The gently sloping property offers lovely country and mountain views, a spacious backyard, underground utilities, and plenty of room to enjoy the outdoors.

Inside, the main level is warm, bright, and welcoming. A vaulted living room with abundant windows fills the space with natural light, while beautiful hardwood floors add character throughout much of the main floor. The sunny kitchen features newer stainless-steel appliances, a breakfast bar, informal dining area, double pantries, and tile flooring. A separate formal dining room just off the kitchen provides additional space for entertaining and special gatherings. Step directly from the kitchen area onto the brand-new wooden deck overlooking the large, peaceful backyard. The main-level primary bedroom offers the convenience of an adjoining full bath with double-sink vanity and tub/shower combination. On the opposite side of the main level is a second front entrance that opens into a practical mudroom area with a half bath and laundry space - perfect for everyday coming and going.

Upstairs, two comfortable carpeted bedrooms feature large closets and pretty country views, along with another full bath with a tub/shower combination and tile floors.

The completely finished lower level adds tremendous flexibility to the home. A spacious family room with new luxury vinyl plank flooring opens directly to a stone patio and backyard. This level also includes a large office/bonus room, abundant closet and storage space, and a brand-new mini-split system for heating and cooling is being installed now. Additionally, comfort is enhanced by a zoned HVAC system, with separate heat pumps serving the main and upper levels. Efficient tilt-in windows throughout the home add convenience and ease of maintenance.

Outside, the property continues to impress with a large 12' x 16' storage shed, landscaped grounds, a peaceful backyard, and beautiful mountain and country views. With approximately 1.5 acres, multiple living areas, three finished levels, excellent storage, outdoor entertaining spaces, and a desirable family-neighborhood setting, this home is only 15 minutes from Abingdon, and looks and feels brand new!
