Description

It's hard to beat a one-level, classic brick ranch with a level, fenced-in back yard in Blountville, and this one is the real deal! Located in the well-established Summer Hill subdivision off of Highway 394, you'll have quick access to Bristol, Bluff

City, and Piney Flats while also being less than five miles away from Interstate access.. Don't let the square footage fool you: with a primary suite, spacious hall bathroom, dining room off the kitchen, and TWO separate living rooms, this home really makes great use of its space. The hardwood floors and solid wood doors and trim give it a classic feel, but many tasteful and functional updates have been done. Some of these include replacing the remaining wood paneling with drywall, installing new toilets and vanities in the bathrooms, fresh paint, and a new cooktop range in the kitchen. The septic tank was also just pumped in January 2026, and the heat pump was installed in October of 2023. Don't miss out on your chance to come check it out! Schedule your showing today.
