today's buyers are looking for. Featuring 5 bedrooms, 3.5 baths, and extensive renovations throughout, this home has been thoughtfully transformed from top to bottom. Located within the city school district, it also offers convenient access to schools, downtown, shopping, dining, and everyday amenities.

The completely remodeled kitchen features beautiful cabinetry, new hardware, quartz countertops, tile backsplash, new appliances, pantry cabinets, and abundant workspace. An elegant arched doorway leads to the living room, where a fireplace and built-in shelving add warmth and character. Just off the kitchen, the spacious dining room features a fireplace, storage closet, and convenient pass-through to the kitchen for easy serving and entertaining. The main level also offers two bedrooms and a renovated full bath with new tile, vanity, and toilet. New LVP flooring, fresh paint, interior trim, baseboards, light fixtures, and ceiling fans add to the updated feel.

Upstairs, the spacious primary suite offers a private retreat with a newly added ensuite bathroom and two new walk-in closets. An additional oversized bedroom features multiple closets, while the third bedroom includes built-in drawers and generous closet space. The upstairs hall bath has been completely renovated with a new vanity, toilet, tub/shower surround, and LVT flooring. New carpeting throughout the upstairs completes the fresh look.

Major system updates include all-new PEX plumbing and PVC drain lines, updated electrical, new HVAC, water heater, attic insulation, windows, and shutters. The entire interior has been repainted, and all interior and exterior doors and hardware have been replaced. New handrails have been added to the front and side porches and basement stairs.

Additional features include a full unfinished basement with abundant storage and future possibilities, a screened-in back porch, and a detached two-car garage with its own half bath. The garage has been repainted and features new garage doors and openers, while the bathroom has been updated with a new toilet, flooring, fixtures, and under-sink water heater. Two outbuildings provide additional versatility for a workshop, hobby space, garden shed, or she shed.

Exterior improvements include new roofs on the house, garage, and both outbuildings; new vinyl siding on the second story; freshly painted soffits; new gutters; updated front landscaping with sprinkler system; refreshed fireplaces; and grading in the rear for improved drainage. The concrete walkway has been lifted and cracks filled, and one outbuilding features a new slider.

The expansive fenced backyard provides plenty of room for gardening, entertaining, outdoor activities, pets, or simply enjoying the privacy and space.
