Description

Step back into a simpler era with this charming colonial farmhouse, built in 1910 and nestled on more than 52 acres of scenic countryside. Featuring timeless symmetry, a covered porch, an outdoor secondary heating source, and a bonus-cottage, the property offers plenty of space with pastures, woods, and privacy. It's a rare blend of historic charm and substantial acreage, perfect for transforming into a hobby farm or a delightful Bed and Breakfast. Located less than thirty minutes from the Back of the Dragon motorcycle route and just over half an hour from the Spearhead ATV trail system, it's ideally positioned for adventure. Both heat pumps are under two years old, and the garage was constructed in 2024. Don't let this timeless treasure slip away!
