Description

Welcome to 210 Greenwood St in Rogersville, TN! Located in a quiet subdivision, this 3-bedroom, 1-bath split-foyer home offers a practical layout, a flat fenced-in yard, and several important updates already completed. The level, fenced yard provides usable outdoor space for relaxing, gardening, pets, recreation, or entertaining. The finished downstairs rec room provides additional flexible living space that could be used for a family room, recreation area, home office, hobby space, or other needs.
Major improvements include a new metal roof installed in August 2023, a new water heater installed in September 2024, and a new heat pump installed in August 2025. These recent updates provide buyers with several of the major components of the home having been replaced or upgraded in recent years.
The split-foyer design provides flexibility for a variety of living arrangements and offers an opportunity for the new owner to add their own personal touches and updates. The property is situated in an established, quiet residential neighborhood while remaining conveniently located in the Rogersville area.

Whether you are looking for a primary residence, investment opportunity, or a property you can personalize over time, this home offers plenty of potential. The flat fenced-in lot is an especially desirable feature and provides a great outdoor setting.
Home is being sold AS-IS. Seller will make NO repairs and will NOT provide any credit or allowance toward repairs. Buyer is encouraged to conduct their own inspections and due diligence and to verify all information, measurements, and property details.
