Description

A Modern European-Inspired Mountain Retreat.
Imagine coming home to the peace and quiet of the mountains, surrounded by trees, yet knowing that ETSU, your favorite downtown restaurants, shops, and entertainment are all just minutes away.
Tucked away on a quiet cul-de-sac neighborhood road, 3 Overlook Court offers a rare combination of privacy, natural beauty, and convenience. With approximately 3,000 square feet of living space, four bedrooms, and four full bathrooms, this European-inspired contemporary home offers room to spread out, entertain, and enjoy a more relaxed pace of life. Beautifully reimagined in the summer of 2026, the interiors offer a fresh, sophisticated feel with the appeal of a newly

finished home. A thoughtfully upgraded kitchen, beautifully redesigned bathrooms, new flooring, and refreshed living spaces create an inviting atmosphere where every detail feels considered. Move in, settle down, and spend your time enjoying the lifestyle this home offers rather than planning your next home improvement project.
Picture slow mornings with coffee, sunlight filtering through the windows, and the sound of the wind moving through the surrounding trees. Evenings spent entertaining friends, enjoying a quiet dinner at home, or simply appreciating the privacy of your own mountain retreat.
For those who love the outdoors, the hiking trails at Buffalo Mountain Park are just a few minutes away. And when you're ready for a night out, downtown Johnson City's restaurants, local shops, and entertainment are conveniently close. It's the mountain lifestyle you've been looking for, without giving up the things you love about living in the city.
