Description

MUST SEE! -- 7.23 Acres, 2 Homes & So Much More!
Imagine starting your morning in the sunroom overlooking a nearly 2-acre stocked pond, watching deer and turkey wander through the property -- or ending the day there as the sun sets over the water. Situated on 7.23 acres, the primary home offers 4 bedrooms and 3 full baths, with 2 bedrooms and 2 baths on the main floor and 2 bedrooms and 1 bath in the finished basement. With a laundry room on both levels, the layout offers plenty of flexibility.
And that's just the beginning...A picturesque bridge crosses the pond, while grapevines and apple, pear, and persimmon trees add to the peaceful country setting. The impressive approximately 50' x 54' barn includes a chicken coop, one-car garage/workshop, and plenty of additional space for equipment, storage, hobbies, or projects.
There's also a separate 3-bedroom, 2-bath mobile home with its own mailbox, septic, water, and electricity -- opening the door to even more possibilities.
Additional features of the primary home include a metal roof, approximately 6-year-old heat pump, new mini-split in the sunroom, newer refrigerator and dishwasher, new kitchen sink and garbage disposal on the main floor, and a French drain installed in 2019. Having additional access from the outside, the basement has also been used as an AirBnB.
Enjoy the privacy and space of country living while being close to I-81, providing convenient access to Greeneville, Johnson City, Knoxville, and Gatlinburg.
