Description

If these walls could talk, they'd have quite the story to tell! Over the past two years, 337 Mount Vernon Drive has undergone a remarkable transformation, and the difference is something you need to see for yourself.

Offering 2 bedrooms, 2 full bathrooms, and 1,092 square feet, this home has been thoughtfully improved with everyday living in mind. Nearly the entire interior has been freshly painted, both bathrooms have received updates, new flooring has been installed in portions of the home, and fixtures have been refreshed throughout.

Outside, the improvements continue with a freshly sealed driveway, newly installed gutters, grass seed planted to improve the lawn, and a fully enclosed fenced yard offering a functional space for pets, play, or relaxing outdoors. A radon mitigation system has also been installed.

Situated on approximately 0.26 acres, the property features a covered back deck, a detached one-car garage offering additional parking or storage, and the added benefit of COUNTY TAXES ONLY!

And while the property is tucked into an established neighborhood, convenience certainly hasn't been sacrificed. Located in the Orebank area of Kingsport, you'll enjoy easy access to Stone Drive, with shopping, grocery stores, restaurants, and everyday necessities nearby. Target, Aldi, Lowe's, and other popular conveniences are all within easy reach.

What makes this home special isn't just the list of improvements. It's the care that went into making them. This wasn't a quick flip or a house dressed up just to sell. It was a home, thoughtfully improved over time, and now it's ready for someone else to make it their own.

Come see what a little vision and a lot of hard work can do!
