Currently operating as BIG TOY STORAGE, this established outdoor storage business occupies two parcels totaling approximately 2.55 acres, with 460 feet of highway frontage and convenient access to the entire Tri-Cities region.

Offered at $598,000, the property currently generates $5,500 per month ($66,000 annually) in gross rental income from more than 30 established tenants, providing immediate cash flow and significant opportunities for expansion, increased revenue, or future commercial redevelopment. The property is subject to county property taxes only.

ESTABLISHED BUSINESS - IMMEDIATE RENTAL INCOME

Located near Boone Lake and within easy reach of Kingsport, Johnson City, Bristol, Blountville, and Gray, the business benefits from a central location serving both recreational and commercial storage customers.

EXPANSION POTENTIAL - THREE STEEL-FRAME WAREHOUSES INCLUDED

A significant advantage of this offering is the inclusion of three unassembled steel-frame warehouse buildings, each measuring 40' x 50' x 18', providing a combined 6,000 square feet of potential enclosed storage or warehouse space.

Upon construction and leasing, these buildings could potentially generate $6,000 or more in additional monthly rental income, increasing total gross rental revenue to approximately $11,500 per month ($138,000 annually). These projections are estimates and depend on construction costs, applicable approvals, market conditions, and tenant demand.

The additional warehouse facilities could accommodate enclosed vehicle storage, contractor equipment, commercial inventory, or other storage-related uses.
