Description

Country setting, convenient location!

This charming country cottage has been renovated to perfection, giving you a move-in ready home that's waiting for your personal touch.

With new hardwood-style flooring, new lighting, and fresh paint throughout, this home feels brand-new, and an updated electrical system means efficiency and peace of mind.

The open-concept living room and kitchen with vaulted ceilings give you a comfortable, roomy space for everyday enjoyment and for hosting special occasions.

In the kitchen, you'll love the new stainless-steel appliances, new cabinets and countertops, and beautiful new backsplash, with the convenient adjacent laundry area.

The split-bedroom layout provides privacy, with the primary bedroom on one side and the additional two bedrooms on the other.

The primary bedroom includes an en suite bath with double vanities and walk-in closet. Both full bathrooms have been renovated, with new vanities, toilets, showers, and more.

The home's setting is part of its appeal, with beautiful pastoral and mountain views, a lovely front porch, and a spacious, level lot with plenty of room for kids and pets to play.

Two sheds on the property give you lots of space for stowing away lawn and garden equipment and for additional storage. And the detached carport ensures you always have covered parking.

Conveniently located in Church Hill with all your everyday amenities close by, it's just a short drive to Kingsport, where you'll find even more restaurants, shops, and entertainment options.
